

Dear 2020 Senior Music Student-

We have had to adjust how we normally handle payout from the Designated Student Fundraiser Accounts for the Senior Class of 2020. In the past, you would have received a document from your Director if you had a balance on your account as you prepare to graduate. Unfortunately, we do not have the ability to send you that form.

If you are a Senior Music Student and have participated in any fundraisers during high school, please complete the form below and email a scanned copy to me at mpa.shawna@gmail.com. I will check to see if you have a balance and I will respond via email to you. Please note in the email that I need the following information:

1. STUDENT NAME: _____
2. STUDENT PROGRAM/SCHOOL: _____

Please complete the form below by selecting which option you prefer:

- a. _____ Receive payment for the balance of the account. The check will be sent in the STUDENTS NAME to the address provided below. We must have the address completed in order to mail.

STUDENT NAME: _____

ADDRESS: _____

- b. _____ Roll the balance to a sibling that is currently enrolled in the music program. Please provide the STUDENT'S NAME and SCHOOL (West, STEM, East) and MUSIC PROGRAM (Band, Orchestra, Chorus).

STUDENT NAME: _____

SCHOOL: _____

PROGRAM: _____

- c. _____ Donate the balance of my DSF account to the Rose Bowl Fundraising Efforts.

- d. _____ Donate the balance of my DSF account to the general MPA fund.

Please complete the form and return to Shawna Powel at mpa.shawna@gmail.com. We will do our best to get these checks out to the students in a timely manner but ask for understanding in this unusual time.

Thank you and Congratulations to the Senior Class of 2020!
